TESTIMONIALS

“the hotel's hybrid of SoHo slick and Minnesota nice, turning its restaurant, bar and nightclub into the weekend spot for the local über-hip.”

~ NEAL KARLEN, *New York Times*

“this 255-room downtown hotel blends de rigueur aesthetics (blond-wood walls, mod '60s-style furniture), luxury-hotel amenities (a gym, a spa), and local flavor (photos by area artists). The result is extreme comfort in a postmodern package that ranks alongside hot spots in New York and London—but at half the price.”

~ *Condé Nast Traveler*

“The staid Midwestern hotel bar gets a shot of stylish, youthful energy at the Infiniti Room, the ground-floor nightclub at the equally buzzy hotel downtown”

~ *Condé Nast Traveler*

“The result is extreme comfort in a postmodern package that ranks alongside hot spots in New York and London”

~ *Condé Nast Traveler*

“The lobby fairly pulses with unexpected energy-the result of an almost rhythmic linearity”

~ Kendell Cronstrom, *Interior Design*

“A street-level elevator takes you up to the Blade Runner-esque 4th floor lobby, where you'll swear you've entered a galaxy far, far away.”

~ Margaret Jaworski, *Family Circle*

“There's a fashionable otherworldly ... It was full of thoughtful, functional touches, and I loved staying there so much I hated to leave, even for dinner.”

~ *New York Daily News*

“the most prestigious and important multi-million dollar new hotel in the whole entire history of the whole entire North Star State.”

~Dara Moskowitz, *City Pages*

“set new local standards for gastronomic extravagance”

~ Jeremy Iggers, *Minneapolis Star Tribune*
